CAMP
LIGHTS!
CAMERAS!
ROBOTS!

About this year's camp:

This year's camp will focus on animatronics. Animatronics is the design of lifelike robots for film or other entertainment. Campers will use code, craft material, and electronics to create an animated robot or character.

The camp will also unveil the 2021-2022 Vex IQ game field to get a jump on the coming season.

Who: Students going into grades 4 to 8 for the 2020-2021 school year.

When: The week of **July 19th through the 23rd**, from 9AM to 3PM daily

Where: Garden City High School Trade and Health Academy

Registration:

The cost of the camp is \$30

The registration form can be filled out here:

<https://greatplainsmakerspace.com/event-4309238>

The capacity is 24 campers
